## HÅG Capisco Puls

As humans, we are meant to move. The HÅG chairs are designed to help you stay healthier, more active and alert by enabling effortless movement of your whole body while you sit and work. The result is more freedom, greater comfort, better productivity and well-being for all.

- Made for greater freedom of movement, variation and natural sitting positions.
- Gives you an upright sitting posture and a natural curvature in your lower back.
- Makes it easy to sit actively with a semi-standing position.
- Perfect for shifting between sitting and standing with a height-adjustable desk.
- The backrest doubles as a chest, shoulder and armrest, perfect for precision work where you need good support.
- Adjustable seat height, seat depth, back height, backward tilt resistance and lockable tilt.

### Cleanroom:

Evaluation of particle generation from chair used in cleanroom is performed. The chair satisfies ISO 14644 Class 4 and 5. Only approved with black antistatic vinyl.

### Fire safety information:

- CMHR foam (fire resistant foam) is available on request but must be specified at time of order and adds longer delivery lead times.
- HÅG Capisco Puls is BS 5852 Crib 5 approved with CHMR foam.

### Maintenance:

Vacuum clean the chair with a furniture brush or wipe it with a clean, white cloth or sponge slightly dampened with clean lukewarm water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Flokk dealer if the chair requires servicing or maintenance.

## QUALITY

### 10-year guarantee:

- Flokk provides a ten-year guarantee against production defects on all HÅG office chairs that are in normal use for up to 9 hours per day.

### Certifications:

- Tested according to EN 1335 Type A (2000), ANSI/BIFMA, EN 16139 and GS.
- Flokk is ISO 9001 certified.

Userguide:
