Una realtà che apre l'immaginazione A reality that opens to imagination

Una delle nostre migliori qualità è il saper dialogare con chi lavora e ascoltare, tanto le esigenze contingenti, legate all'operatività, quanto quelle legate al gusto, all'atmosfera, in una parola, allo stile. Dal dialogo con il mondo del lavoro e con le persone nasce la capacità di interpretare stili diversi e offrire così risposte mirate. Tutte le nostre collezioni hanno in comune qualità costruttive, funzionalità e design, ma interpretano lo spazio ufficio in maniera diversa: rigorosa, creativa, pratica, sempre molto personale. Perché anche per noi, il vostro stile è unico.

When meeting with our potential customers, we take pride in our ability to listen their stated requirements, and interpreting their needs in a way that will enable us to create a space that supports and reflects the unique company traditions, of taste and tempo. The ability to understand different cultures, industry regulations, and work space requirements and thus offer aimed solutions, comes from the dialogue we have had throughout with the world encompassing many different languages, ethnicities and people. All our collections have common constructional qualities, functionality and design, but are able to interpret the office space in different manners: rigorous, creative, practical, and always very personal. Because for us, the customer's style is unique.

design Perin & Topan

Una collezione di grande impatto estetico, dove la ricchezza dei piani di lavoro e la preziosità delle finiture generano una perfetta sintesi tra funzione e design, tra eleganza e tecnologia. I materiali nobili sapientemente accostati, gli intarsi spazzolati lucidi, la scelta attenta di colori ed essenze riportano alla tradizione artigiana e soprattutto all'alta classe degli arredi direzionali.

A collection of great aesthetic impact, where the luxury of the worktops and the preciousness of the finishes create perfect balance between functionality and design, between elegance and technology. Fine materials wisely combined, polished inlays, careful colours and wood choices let handmade traditions emerge and, most of all, lead back to the high class of executive furnishings.

DV903 TAY

Particolare composizione con due postazioni integrate per ottimizzare e valorizzare lo spazio di lavoro a disposizione. Tavoli con piani di lavoro in vetro fumè e struttura in alluminio integrati con mobili di servizio in finitura rovere tabacco. Stessa finitura per le ante della libreria con scocca in bianco opaco.

This special composition, with two integrated desks, allows to optimise and set off the available work space. Desks with smoked glass worktops and aluminium structure, integrated with service units in tobacco oak. Same finish for the bookshelf doors with a white matt body.

Scrivania direzionale e tavolo riunioni in finitura rovere chiaro arredano l'ambiente di lavoro in modo completo, garantendo il giusto equilibrio tra operatività e organizzazione. Particolare attenzione è stata rivolta alla funzionalità della canalizzazione del posto di lavoro attraverso diversi componenti quali canaline verticali e orizzontali ispezionabili, top access in diverse forme e dimensioni, nonché una vasta gamma di accessori per l'elettificazione.

The executive desk and the meeting table in light oak, furnish the working environment in a complete way, guaranteeing correct balance between operation and organisation. Special attention has been dedicated to the functionality of the workstation's wire management, through several components such as vertical and horizontal accessible cable channels. Availability of top-access with different shapes and sizes, as well as a wide range of accessories for electrification.

Armonia stilistica e razionalità, emergono attraverso segni, spessori e volumi molto caratterizzanti. Anche i contenitori sono disegnati per creare ambienti in cui si fondono funzionalità e coerenza estetica.

Stylistic harmony and rationality stand out through characterising signs, thickness and volumes. Also the storage units are designed to create environments in which functionality and aesthetic coherence merge.

Esprime grande personalità ed eleganza la purezza formale che si legge in questa composizione. Vetro e alluminio si integrano con stile e ricercata tecnicità. Le superfici brillanti e luminose dei piani in vetro retrolaccato nero rendono i tavoli ancora più suggestivi e rigorosi; poggiano su una struttura in alluminio che ne enfatizza la costruzione e le sue geometrie.

The formal purity that stands out from this composition expresses great personality and elegance. Glass and aluminium are integrated with style and sophisticated technicality. The luminous effect of the rear-lacquered black glass worktops make the tables even more striking and rigorous. They rest on a aluminium structure, which emphasises their construction and geometry.

La libreria è caratterizzata dalla disposizione a scacchiera delle ante scorrevoli realizzate in rovere tabacco come la scrivania.

The bookshelf is characterized by the 'chess layout' of its Tobacco oak finish sliding doors, same colour of the desk.

Direzionale con scrivania caratterizzata da banco dattilo con ripiano, in rovere moro. Lo spazio viene completato dal tavolo riunioni in rovere moro e struttura su gamboni metallici. La geometria delle composizioni viene evidenziata dalla marcatura dei profili in colore bianco.

Executive composition. The dark oak finish desk is integrated to a lower side table, including an internal shelf. The space is completed with a dark oak finish meeting table on metal leg-columns. The geometry of the composition is highlighted by white profiled decorative lines.

Il mobile di servizio e l'allungo completano la scrivania direzionale. Il tutto in essenza rovere chiaro. Il mobile di servizio è organizzato con testa con vani a giorno, anta scorrevole e cassetiera interna. I giochi di piani e volumi vengono enfatizzati dall'unione piano/gamba a 45°.

The service unit and the extension table complete the executive desk. The finish is light oak. The service unit is equipped with open storage spaces at the front, three drawers and a sliding door on its side. The 45° joint between leg and worktop emphasizes the play between surfaces and volumes.

Versatile, giovane e funzionale. Sistema con grandissima facilità di installazione. Un prodotto destinato a comporre spazi d'arredo operativi e direzionali completi, al passo con l'evoluzione del lavoro. Leggerezza formale e stile, ingredienti principali di un sistema operativo caratterizzato da tavoli con struttura su gambe a cavalletto in versione singola o bench.

Versatile, fresh styled and functional, a range with an extremely easy assembly system. This series fully furnishes operative and executive spaces, in line with today's work evolutions. Formal lightness and style are the main ingredients of an operational system characterized by tables with trestle legs, in single or bench version.

La scrivania è dotata di modesty panel sagomato in essenza e tavolo riunioni circolare di diametro 120 cm. Il piano della scrivania e il modesty panel sono in rovere tabacco e poggiano su una struttura in colore alluminio.

The desk is equipped with a matching shaped modesty panel and a circular 120 cm diameter meeting table. The desk top and the modesty panel are in Tobacco oak and are fitted onto an aluminium finish metal structure.

DV804 E-PLACE

Scrivania con mobile di servizio ad ante scorrevoli per la soluzione direzionale caratterizzata dal colore azzurro di ante e cuscini. E' integrata da un tavolo quadrato per veloci riunioni. I piani della scrivania e del tavolo riunioni sono in rovere moro che abbinati alle strutture di colore alluminio rendono la composizione estremamente elegante.

Desks with service unit and sliding doors, for an executive configuration characterized by the light blue colour of doors and cushions. A square shaped side table has been integrated for quick meetings. The worktops of desk and meeting table are in dark oak. With its aluminium finished legs, the whole looks particularly stylish.

Elevata flessibilità del sistema che permette di inserire nello stesso ambiente diverse tipologie di tavoli destinate al lavoro individuale e di gruppo. Uno zoom sulle particolarità formali ed estetiche dei singoli posti di lavoro, tra i quali si evidenzia la tecnicità del bench con "sliding-Top". L'abbinamento del rovere chiaro con il tessuto verde kiwi e i contenitori bianchi, esalta con eleganza uno spazio semplice e minimale.

The high flexibility of the system allows to place in the same environment different types of tables, destined to individual and team work. A zoom on the formal and aesthetic characteristics of individual work places, in which the technicality of the bench with a "sliding-top" is highlighted. The combination of light oak with kiwi green fabric and white storage units, elegantly enhances a simple and minimal environment.

Armonia stilistica e razionalità, emergono attraverso segni, spessori e volumi molto caratterizzanti. L'integrazione di piani terminali, contenitori sospesi con ante scorrevoli e frontal panel, permettono di realizzare svariate soluzioni di tavoli su misura.

Stylistic harmony and rationality emerge through strong characterizing signs, thicknesses and volumes. The integration of terminal tops, suspended containers with sliding doors and frontal panels, allow to create a variety of tailored tables solutions.

DV804-E-PLACE.

Le possibilità compositive della collezione trovano massima espressione nel bench proposto a sei postazioni operative con allunghi su cassettiere portanti. Piani lavoro, struttura e cassettiere nel medesimo colore, contribuiscono alla leggerezza estetica dell'insieme. I frontal panel in tessuto separano le postazioni. I tavolini con gamba centrale telescopica integrati alle scrivanie, migliorano la funzionalità del posto di lavoro.

The modularity of this collection has its maximum expression in the six workstation bench configuration, including extensions on carrying pedestals. Worktops, structure and pedestals in the same colour, contribute to the aesthetic lightness of the whole. Fabric frontal panels divide the spaces. The side tables with a telescopic central leg, implement the functionality of the workstations.

Composizione operativa a quattro postazioni complete di frontal panel sagomati che diventano anche modesty panel in tessuto dalle proprietà fonoassorbenti. Struttura e piani sono realizzati nel medesimo colore.

Operative four-desk composition, including shaped frontal panels that also become modesty panels, in fabric with acoustic properties. Same colour for metal structure and worktops.

Ci sono collezioni che lasciano una traccia indelebile nell'evoluzione di un'azienda. Questa fa suoi il passato e la tradizione e recupera con artigiana passione il concept dei progetti vincenti. Questa è l'idea che genera una elevatissima flessibilità compositiva: l'opportunità di sviluppare l'arredo lungo gli assi; un significativo recupero dello spazio che si traduce in importante risparmio economico.

There are some collections that leave an indelible trace on the evolution of a company. This makes the past and tradition its own and recovers the concept of winning projects with passionate artisanship. This is the idea that generates a high level of flexibility: the opportunity to develop furniture along the axes; an important recovery of space which translates into significant savings.

Grande semplicità per una operatività totale e per l'utilizzo razionale delle varie soluzioni di postazioni lavoro tipo bench. La particolare flessibilità tipologica degli accessori e degli elementi integrati, permette di organizzare con efficienza lo spazio operativo. Attualità esaltante attraverso l'abbinamento dell'azzurro turchese con l'antracite e il bianco dominante.

Simplicity, for pure operation and for a rational use of various bench workstation solutions. The unique flexibility of the accessory and integrated element ranges, allows to organize efficiently any operating space. Exiting actuality through combinations of turquoise with anthracite and dominant white.

Proporzioni perfette e semplicità di disegno. Purezza delle linee, forte coesione tra materiali diversi rivelano la personalità del prodotto e generano una perfetta sintesi tra funzionalità e design in un ambiente dallo stile moderno.

Perfect proportions and simplicity of design. Pure lines, strong cohesion between different materials reveal the product personality and generate a perfect synthesis between functionality and design, in a modern style.

Con la stessa semplicità con cui nasce una postazione operativa, questa collezione consente di realizzare diverse soluzioni di postazioni multiple. Il sistema dimostra elevata flessibilità creando posti di lavoro rigorosi dal punto di vista stilistico, funzionali e personalizzabili, con il giusto tocco di finiture e colori.

With the same easiness with which a workstation is conceived, this collection allows to create several multiple workstation solutions. This system demonstrates high flexibility, creating rigorous workstations from a stylistic point of view, functional and customizable, with just the right touch of finish and colour.

La versione operativa in linea si contraddistingue per praticità e stile in perfetto equilibrio tra funzione e accoglienza. Con questo sistema non ci si sofferma più alla sola operatività del posto di lavoro ma si considera anche lo spazio stesso come ambiente di accoglienza per scambi di idee e relazioni. L'accostamento dei materiali usati per ante e piani gioca su toni neutri.

The inline operative version is characterized by its practicality and style in perfect balance between function and reception. With this system not only is there the sole operation of the workplace, but also the space itself is considered as a welcoming environment for exchanging ideas and social relations. The combination of materials used for doors and worktops are a play of neutral tones.

Punti di vista concentrati sulle diverse zone e tipologie di arredi utilizzati, mettono in evidenza i dettagli degli "Standing Tables" e delle scrivanie contrapposte. Lungo le pareti si trovano contenitori alti con ante, vani a giorno e pratici Lockers per la custodia di effetti personali.

Points of view focused on the different areas and types of furniture used. They bring out the details of the "Standing Tables" and opposing desks. Along the walls are high cabinet with doors, open elements and practical "Lockers" for storage of personal belongings.

Vista panoramica di un "open space" arredato con tavoli bench e scrivanie regolabili in altezza con manovella secondo le attuali normative. Sullo sfondo i tavoli pieghevoli utilizzabili all'occorrenza. In evidenza i nuovi frontal panels in tessuto con profilo perimetrale in metallo predisposto per l'aggancio di accessori vari.

Panoramic view of an "open space" furnished with bench-desks and height-adjustable desks with a crank system, in accordance with current regulations. In the background folding tables available in case of need. Highlights of the new fabric frontal panels with metal edge profile prepared for the integration of various accessories.

DV805 TREKO

design Antonio Morello

Praticità, attualità e flessibilità, sono i plus principali che consentono di arredare i moderni spazi di lavoro con estrema semplicità e funzionalità.

Practicality, flexibility and timeliness, are the main features that allow to furnish modern working environments with extreme simplicity and functionality.

Questa collezione utilizza le composizioni più svariate permettendo di progettare open space e spazi delimitati creando ambienti piacevoli ed accoglienti. In evidenza la sobrietà e l'eleganza ottenuta mescolando il bianco con il rovere tabacco.

This collection allows the design of endless compositions being it open spaces or defined areas, creating a pleasant and comfortable ambience. Evidence of sobriety and elegance, obtained by mixing white with tobacco oak.

In primo piano il tavolo riunioni ovale elegante e in sintonia con l'ambiente.

A lato configurazione composta con raccordi a 90°. Il tutto esaltato dalla leggerezza e modernità della finitura rovere chiaro abbinata ad esclusivi accessori di design.

Close up on oval conference table, stylish and in harmony with the environment.

A side, configuration composed with 90° connections. All enhanced by the lightness and modernity of the light oak finish, combined with exclusive designer accessories.

Flessibilità e componibilità dei diversi elementi, permettono di comporre soluzioni su misura. La collezione è predisposta per mescolare e combinare, nelle diverse finiture, i componenti di uno stesso tavolo. Molto gradevole in questo caso l'accoppiamento del rovere moro con i modesty panels in finitura bianca.

The flexibility and modularity of different elements, allow the composition of customized solutions. This collection is designed to mix and match the different component finishes of a same table. Very pleasant, in this example, the combination of dark oak and the white finish of the modesty panels.

Molteplici sono le possibili soluzioni di bench e di postazioni individuali, che attraverso l'impiego di frontal panels colorati, contenitori sospesi e accessori permettono di personalizzare il posto di lavoro con la giusta privacy.

There are many possible bench and individual workstation solutions. Through the use of coloured frontal panels, hanging storage units and accessories they allow to customize the workstation with an appropriate privacy.

DESIGN GROUP

DV MEET

design Antonio Morello

Eleganti geometrie compositive, disegnano svariati e molteplici tavoli riunioni, così da poter arredare con funzionalità e prestigio qualsiasi ambiente di lavoro che necessiti di professionalità e comfort.

Elegant compositional geometries draw a variety of meeting tables, so to furnish with functionality and prestige any meeting place that requires professionalism and comfort.

Bellezza e pulizia formale caratterizzano questo tavolo riunione circolare, composto da diversi piani curvi legati tra di loro con gambe metalliche indipendenti. In evidenza l'ambiente "chic" che si abbina con stile alle calde finiture dei piani di lavoro in rovere moro.

Beauty and clean lines characterize this round meeting table. It is composed of curved worktops, linked between them with freestanding metal legs. In evidence this "smart" environment, in line with the warm dark oak finish of the worktops.

DV MEET

La semplicità compositiva, abbinata all'essenzialità dei suoi elementi costruttivi, genera un tavolo da riunioni dalle dimensioni importanti, che si adatta perfettamente ad ambienti prestigiosi e particolarmente grandi.

The simplicity of this composition, combined with the essential lines of its structural elements, generates a meeting table with important sizes, perfectly adapted to very large and prestigious environments.

Ambiente raffinato e ricercato con il tavolo a forma di "Boat-Shaped" che diventa protagonista, grazie alle sue forme sinuose e contemporanee. I piani di lavoro si compongono tra di loro con un disegno quasi sartoriale, in cui gli abbinamenti cromatici del rovere chiaro e del bianco creano un appeal davvero unico.

L'integrazione di accessori per la canalizzazione e l'elettificazione, rende il tavolo completo e assolutamente funzionale.

Refined and sophisticated environment with this table "Boat-Shaped" becoming protagonist, thanks to its sinuous and contemporary lines. Worktops are combined with an almost tailoring design, in which the colour combinations of light oak and white create a truly unique appeal.

The integration of accessories for the wire management and electrification makes the table complete and totally functional.
