# PURPOSE

---

We don't want to just be the **leading furniture and flooring supplier**. We believe that our purpose is a lot more than supplying you with a pretty, task chair in a box.

We don't want to just be **out-of-the-box thinkers**. We think about spaces as a whole, both inside and out.

We are not just a **one-stop solution provider**. We need to collaborate with you to help find the right products that will work best in the spaces you design.

We are not just a **home for the best global brands**. We are proud that we've been in the UAE for the past 33 years to witness and contribute to the growth of the country we call home.
