a-balance
Introducing the new material.

Designed to provide total comfort and balance support for your back. No matter how you sit, or how you tilt your body, the new flexible material of the inner back offers natural support for your lumbar and waist, thus reducing strain on your lower back muscles. No longer will you feel tired from sitting all day.

It stands out.
It fits right in.
No matter where.

With its sleek design, a-balance is versatile enough to fit into any environment, yet retains a keen sense of individuality. Create a style of your own with different colour options.

Adjustability

❶ Flexible Material
Flexible material of the inner back offers three-dimensional support for the lumbar and waist, reducing strain on the lower back.

❷ Adjustable Armrests
Armrests can be adjusted vertically to accomodate different arm lengths from the shoulder to elbow.

❸ Adjustable Seat
Adjust depth of seat to accomodate upper leg length, distributing weight evenly across seat cushion.

❹ Backrest Lock
Backrest lock allows locking at an upright or comfortable reclined position.

❺ Tension Control
Tension control allows user to adjust the amount of resistance according to one's weight and preference.

❻ Adjustable Seat Height
Height of seat can be adjusted according to different user heights to encourage proper circulation to the lower limbs.
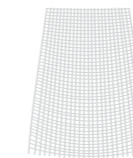

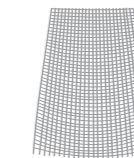

Backrest Colour

| STRIKING RED | APPLE GREEN | PRISTINE WHITE | PEACEFUL GREY | COOL BLACK |

a-balance

Take a seat and you'll get another pleasant surprise. Your back stays cool even in a non air-conditioned room for this material can effectively disperse body heat.
